STATEMENT OF ADDITIONAL
GROUNDS FOR REVIEW

I, Daniel Stief, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I never went through, over, under any Gate or fence or past any no trespassing signs, and didn't enter any dwelling or inclosure. I sent pictures of the drive way and house that shows there were no closed gate, which is needed to commit Robbery or Burglary. I didn't take the radiators off his property either.

Additional Ground 2

It is not possible for me to reach the door or handle when a man is standing in the door opening, with me in the driver seat, with my hands up and a gun pointed at me, or if I was just sitting in the seat with out a person between me and the door. It was fisically impossible to hit him with the door. (no weapon) to commit Rob or Burg.

If there are additional grounds, a brief summary is attached to this statement.
